## SELECTMEN'S OFFICE

During the past year the West Salisbury Road and Warner Road were completed. Along with the completion of the West Salisbury Road the corner at the junction of the West Salisbury Road and the Bay Road was reconstructed to the satisfaction of the interested parties. You will recall that this portion of road was discussed at length at the last Town Meeting at which time the Selectmen were instructed to look into this situation and report their findings at the next Town Meeting.

It is the opinion of this Board that the TRA money now be used on the Shaw Hill Road starting at Route 4, and that the Class V money be used on the Smith Road. Both of these roads are school bus routes and long overdue for improvement.

The Town buildings received a little more "face lifting". The floors were scrubbed, sealed and waxed. This past Fall a pump was installed and water piped into the Town Hall. The kitchen has been improved with a cabinet sink, refrigerator, electric stove, etc. The stove and refrigerator are gifts of the Noeltes to the Historical Society but in as much as the Society had no kitchen, they were put into the Town Hall for the use of the Town's people.

Once again the Selectmen wish to express their sincere appreciation to all those people who have contributed so much of their time and efforts to improve our Town. The list is too great to mention each individual; however, two people deserve our, and your, special thanks — they are Don Powell and Phil Dexheimer. Also, we wish to thank the C. P. Stevens Co. for their donation of material for the new curtain.

At this writing, the Blackwater situation remains unchanged. There is to be a meeting of the Selectmen of Salisbury and Webster with three members of the DRED Commission but no date has, as yet, been set.

## Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Salisbury for the fiscal year ended December 31, 1967. In our opinion, the Exhibits included herewith present fairly the financial condition of the Town as of December 31, 1967, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

O. Maurice Oleson, Director  
Division of Municipal Accounting  
State Tax Commission

Hugh J. Cassidy, Auditor  
Laurence M. Bean, Accountant

## Fire Department Report

The Salisbury Volunteer Fire Department answered eight calls during the past year; three chimney fires; one grass fire; one call to the Town Dump; one out of town call, (Webster); one trailer fire, complete loss; and one call caused by faulty wiring, no damage reported.

The Dodge truck purchased in 1964 is now fully completed. The tank was put on the truck as soon as it was purchased and we have been using it ever since. The men, in their spare time, have now finished building the storage compartments around the tank and have painted it. The truck has been lettered and is now Tank No. 1 of the department. Many thanks is extended to the men who spent so many hours on this project.

School sessions were held in December at the local fire station. A Captain of the Concord Fire Department was present to teach the firemen the proper use of the Scot Air Pacs. One more session is to be held before the men can receive their diplomas. This session will be held as soon as possible.

Again a reminder – to report a fire PLEASE use the fire phone number, 8-2200.

Lewis Bartlett, Fire Chief.

## Salisbury Historical Society

In the second year of its existence the Salisbury Historical Society has doubled its membership – now boasting a few more than two hundred members. It has assumed full ownership of the old Baptist Meeting House at the Heights and is in the process of restoring the building. The lobby was redecorated last August and work has been undertaken to get the tower clock in working order once again. Fund raising projects throughout the past year have been undertaken with the restoration work as prime objective.

A small museum has been set up in the lobby of the Meeting House consisting of donations received by the Society and, at times when the building has been open, it has proven of interest to many – including visitors from France and Korea. Now that the old cemetery is kept mowed regularly, we find that it, too, attracts many visitors interested in geneological research and gravestone-art.

It is hoped that our growth of service to Salisbury will continue as the Society grows, and that as we prosper from our work and our associations with friends, old and new, that Salisbury will also profit from our efforts. We like to think that, although our group has its basis in the past, its largest and best contribution will be to the future.

## Library Report

This year has been a busy one for the Library – new books, extra hours, and plenty of new ideas to make the Library more useful and enjoyable for all our taxpayers.

A Friends of the Library group has been formed with many of our townspeople lending aid, ideas and plenty of help to improve our Library.

The Library is a very important asset and certainly a useful one. We hope in this ensuing year it will be used by as many of our “friends” as possible.

Katherine de Haro, Librarian

## Friends of the Library

In the spring of 1967 a group of people that were interested in aiding the library felt they could do so best by asking all of the towns-people to join with them in a “Friends of the Library” group.

Officers were elected in June and with the aid of the trustees and the librarian several projects have been undertaken.

There are extra hours during the week that the library is open to make it more available to a greater number of people. These are each Friday night from 7-9. We are making books available to the students of the grade school by transporting them to and from the library each month.

Plans for the coming year include some new bookcases, new curtains and helping to purchase a stove that will heat the building adequately. Also a story hour this summer for the children.

Meetings are held on the 3rd Thursday of every month at the library and new members would be very welcome.

Gifts of time, books or money would be greatly appreciated. Most of all we would like more people. Hoping to see all of you.

Jay S. Chamberlin, President

## ANNUAL TOWN MEETING

March 14, 1967

The polls were declared open for voting at 1:00 p.m. The business meeting was opened at 7:30 p.m. The warrant was read by the Moderator, Dana Parks, Jr. Invocation was offered by Rev. Ward Knights.
